

Students of all ages are  
invited to join us for worship  
on Sunday, August 15, 2021  
at the 9:15 Mass for

# The Blessing of the Backpacks

Bring your backpack, come forward to receive  
a special blessing and begin the school year in  
the best possible way! Join us for hotdogs outside  
afterward and we will all celebrate the beginning  
of a new school year!

*We will also be collecting new backpacks and school supplies to  
give to families who need them. Whether you are sending children  
back to school this year or not, please consider helping us provide  
assistance to our community.*
